Dear Mr. Russell:

I appreciated your consideration for the operations manager position. While I am disappointed in not being selected, I learned a great deal about your corporation, and I enjoyed meeting with you and your staff. I feel particularly good about the professional manner in which you conducted the interview.

Please keep me in mind for future consideration. I have a strong interest in your company and believe we would work well together. I will be closely following the progress of your company over the coming months. Perhaps we will be in touch at some later date.

Best wishes,
